Gabo Esquivel

Sr Software Engineer building innovative products
with a great user experience.

About

As a Full Stack Engineer with over 15 years of experience, I
have successfully taken multiple products from inception to
launch. I'm very hands-on and passionate about new
technologies, specially Web3 and AI.

Experience

Masterbots
Specialized AI chatbots

→ Designed full-stack architecture.
→ Developed real-time integration with LLMs.
→ Built NextJS 14 chat components.
